***Official fees** are inclusive of all government fees, exchange rate fees and other miscellaneous processing fees and disbursements. Please note that official fees are subject to change at any time by the local patent offices.

Please note that the above costs have been calculated on the basis of currently available information and with the

assumption that required documents will be submitted by the respective deadlines. This estimate is simply a projection of costs and makes no claim of patentability. All fees listed are USD. Please note, rush fees may apply based on when instructions are received.

Translation fees are an approximation, and accurate fees can only be determined based on a Microsoft Word version of the English specification. When the specification is not in English, the English translation is to be provided by the client.

**When filing in regions with the same language, a single translation may be used.
